THE HOME WE BUILD TOGETHER

Curriculum provided by IYUN

- *Explore big questions*
- *Make new friends*
- *Dive into the wisdom of Jewish tradition*

Rabbi Pollack will lead this **conversational group for parents** who are looking to deepen their understanding of Judaism on their terms. Sessions will cover the big questions: What makes a home? How do I want to continue or depart from the way my parents configured their home? What lessons can I draw in the hardest moments of parenting? We will look at the wisdom of ancient and modern Jewish sources to help each family clarify their personal values and goals for raising a family. Get to know other parents as we delve into these deep questions over the course of the year... (meets during Solel Religious School hours for parents of grade-schoolers)!
